

IMPORTANT VISITOR INFORMATION

Welcome to the 2024 Junior Day of Discovery: Great Inventions 2024! hosted by Cranford School. This public event carries with it risks that we cannot entirely eliminate including the risk of personal injury. By attending Great Inventions 2024! you therefore agree that you will comply with the following event rules:

- All visitors shall comply with any safety notices, warnings or instructions displayed or given to you by a member of staff. Please ask our staff if you have any issues or questions at any time during the event.
- All visitors shall act and behave in a responsible, sensible and safe manner at all times.
- All visitors are responsible for ensuring that all members of your party including in particular all children under the age of 18, are aware of the above rules and will follow them at all times.

Should you require first aid please proceed to the First Aid Station located at the Welcome Desk.

Alternatively, please approach a member of staff wearing a yellow event t-shirt or hi-vis jacket.

In the event of an emergency, all visitors and staff will proceed with caution to the closest Assembly Area as shown on the event programme.

Please report to the Welcome Desk if a child is missing.
