Key Information for Sixth Form Scholarship Application 2023-24

Cranford is committed to seeking out and rewarding gifted pupils with Bursaries and Scholarships to ensure the largest number of talented students can benefit from a Cranford education.

In particular, it aims as far possible to focus its support on pupils for whom the chance of a Cranford education would be a transformative, life-changing prospect. If your child would benefit from the educational experience which Cranford is able to offer, but your family is not in a position to cover the full fees, you may be eligible for a Bursary or Scholarship.

Bursaries and Scholarships are available to any student within the Sixth Form and are allocated on entry to Year 12.

Cranford offers a number of Academic Scholarships for entry at Sixth Form, subject to the Headmaster's satisfaction with performance. Should a pupil's performance fall below the required standard, their scholarship can be rescinded at any time. If notice is given to withdraw a pupil from the School, the Scholarship will be withdrawn and full fees will be charged for the duration of the notice period.

Applying for a Bursary:

Parents wishing to apply for a Bursary should ensure their child is registered with the school in the first instance and then email a request to: bursaries@cranfordschool.co.uk

Please note the deadline for Bursary applications for a September 2024 start is 29 September 2023. Bursaries that fall outside this timeline may still be considered, where funds are available.
