PE and Book Locker Deposits

All pupils in the senior school are allocated a book locker and a PE locker. Your son/daughter will be issued with a key for both at the start of term. We encourage all pupils to keep their belongings safely locked away when not in use.

Pupils are required to pay a £20 deposit, £10 for each locker. This covers the cost of replacing the key / barrel in the event a key is lost. The £20 charge will appear on your account for September. In the event your son/daughter loses their key during the year this deposit is used and you will be required to pay a new £10 deposit in order to receive a replacement key, this new deposit will be added to your bill. Should they subsequently find the lost key, the replacement deposit will be returned.

Pupils are asked to keep their keys safe throughout the school year and return them at Year end (end of Summer term). New lockers will be allocated at the beginning of every academic year.

The deposits will be returned when your son/daughter leaves the school, once your billing account is settled.
